Membership, Voting Rights and Management of the Association

3.1 Incorporation. The Association shall be incorporated under the Utah Non-Profit Corporation Act.

3.2 Board of Directors. The Association shall be governed by a Board of Trustees to be composed of Members of the Association or in the event such Member is a corporation, trust, partnership, or other entity, an officer, trustee, partner or other individual who is a manager of such entity as the case may be. One Trustee shall be elected and shall serve from each of the Existing Projects, as defined in Article VI, which elects to join the Community and Association. One Trustee shall be appointed by the Developer, but only for so long as Developer is a Member. At such time as Developer adds an additional Project to Red Pine Community in accordance with the provisions of Article X, such Project (or if developed separately, all Projects added pursuant to the provisions of Article X) shall be entitled to elect one Trustee to the Board of Directors. Subsequent to the expiration of Developers request to add additional projects as set forth in Article X, Developer shall thereafter be required to appoint as a Trustee a person representing the operator of the ski resort as a Trustee.

3.3 Membership. Every Owner shall be a Member of the Association. Membership in the Association shall be automatic and shall be appurtenant to the Unit in which the Owner has the necessary interest. Neither membership in the Association or any of the votes attributable to the membership shall be separated from the Unit to which the same appertains. Until such time as Developer ceases to hold an equitable or legal interest or a recorded right to acquire an equitable or legal interest in the Park West Ski

Report or in any Undeveloped Land, Developer shall be a Member whether or not it is an Owner.

3.4 Voting Rights. The Association shall have one class of voting membership. Each Unit shall have appurtenant thereto the number of votes set forth in Exhibit "A" attached hereto and incorporated herein by this reference, which votes may be cast by the Members which are the Owners of such Unit. When a new Project joins the Red Pine Community, Exhibit "A" shall be amended to specify the number of votes appurtenant to each Unit in such Project according to the formula described on said Exhibit. Developer shall be entitled to one (1) vote.

3.5 Management. The Association shall be responsible for the control, operation and management of the Recreational Facilities in accordance with the provisions of this Declaration, such administrative, management and operational rules and regulations as it may adopt from time to time as herein provided, and all agreements and determinations lawfully made and entered into by it. In addition to all other powers conferred herein or by law upon the Association, the Association shall have the following authority and powers:

3.5.1 The authority, without the vote or consent of the Members or any other person(s), to grant or create on such terms as it deems advisable, utility and similar easements over, under, across, and through the Recreational Facilities; provided, however, that no such easement shall be granted without the written consent of Developer if such easement would interfere with Developer's rights reserved herein;

3.5.2 The authority to execute and record, on behalf of all Members, any amendment to this Declaration which has been approved by the vote or consent necessary to authorize such amendment; provided, however, that no amendment to this Declaration may be made without the Developer's written consent thereto if such amendment would affect the rights of Developer reserved herein;

3.5.3 The authority to enter into contracts which in any way concern the Association or the Recreational Facilities, so long as any vote or consent of the Members required hereunder has been obtained;

3.5.4 The power and authority to purchase, otherwise acquire, and accept title to any interest in real property, so long as such action has been authorized by the vote and consent which is required hereunder;

JER

3.5.5 The power and authority to erect, maintain, alter, remodel, reconstruct, rebuild, replace, or remove any existing improvements, or any improvements to be constructed in the future, on the Parcel; and

3.5.6 The power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Association to perform its functions as agent for the Members and the Projects.

3.6 Power and Authority of Association. Any instrument executed by the Association that recites facts which, if true, would establish the Association's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

3.7 Restrictions on Authority. The Association shall not, without the prior favorable vote of seventy-five percent (75%) of the votes of Members of the Association, have the authority to purchase or sell any real property, encumber any of the Recreational Facilities, increase the area described within the Entire Tract, or to incur any indebtedness in excess of \$25,000; provided, however, that this figure shall be adjusted each year proportionate to the change in the consumer price index.

3.8 Additional Facilities. The Association shall, subject to any necessary approval, have the authority to provide such facilities, in addition to those for which provision has already been made, as it may deem to be in the best interests of the Members.

3.9 Manager. The Association may carry out through a Manager any of its functions which are properly the subject of delegation. Any Manager so engaged may be an individual, partnership, or corporation, and shall be an independent contractor and not an agent or employee of the Association, shall be responsible for managing the Recreational Facilities for the benefit of the Association and the Members, and shall, to the extent permitted by law and the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted hereunder to be performed by the Association. Any agreement for professional management for the Recreational Facilities which may be entered into by the Association shall call for a term not exceeding two (2) years and shall provide that such management agreement may be terminated by the Association without penalty and upon not more than ninety (90) days' prior written notice.

3.10 Certificates. Neither the issuance nor the holding of membership certificates or shares of stock shall be necessary to evidence membership in the Association. However, the Board of Trustees of the Association is authorized to issue membership certificates if it deems such to be advisable or appropriate.

3.11 Multiple Ownership. In the event there is more than one Member with respect to a particular Unit, the vote or votes relating to such Unit shall be exercised as such Members may determine among themselves. A vote or votes cast at any Association meeting by any of such Members, whether in person by proxy, shall be conclusively presumed to be the vote or votes attributable to the Unit concerned unless an objection is immediately made by another Member with respect to the same Unit. In the event such an objection is made, the vote or votes attributable to such Unit shall not be counted for any purpose whatsoever other than to determine whether a quorum is present.

ARTICLE IV

Property Rights in the Recreational Facilities

4.1 Members' Easements of Enjoyment. Each Member shall have a right and easement of enjoyment and use in and to the Recreational Facilities during, but only during, any period of time that such Member has the right of occupancy to, and is in fact in occupancy of, the Unit to which his Membership relates. Such right and easement shall be appurtenant to and shall pass with title to the Unit concerned and in no event shall be separated therefrom except in the case of Developer. Such right and easement of enjoyment and use shall be a right to non-exclusive use, subject to reasonable restrictions as hereinafter set forth (including rules and regulations promulgated by the Association), of Recreational Facilities for recreation, social and physical needs and desires; and to contribute to the common health, security and happiness of the Members. Any Member may delegate the right and easement of enjoyment and use described herein to any member of Member's family, to any guest, or to any tenant, lessee, or contract purchaser who resides in or is authorized to use such Member's Unit; provided, however, that such delegation is not inconsistent with the Declaration of Condominium of any Project. Developer as a Member shall have all the rights of a Member, even though Developer owns no Unit.

4.2 Title to Recreational Facilities. Developer hereby covenants for itself, its successors, and assigns

JEP

that it shall cause to be conveyed existing and future Recreational Facilities to the Association as follows:

4.2.1 On or before sixty (60) days from the date on which this Declaration is recorded in the office of the Summit County Recorder, Developer shall convey to the Association title to the Parcel described in Exhibit "B" hereto free and clear of all liens and encumbrances (other than the lien of current general taxes; covenants, conditions and restrictions currently of record; and the lien of any assessments, charges, or taxes imposed by governmental or quasi-governmental authorities or other liens and encumbrances consented to by the Association in writing), and shall provide to the Association, at Developer's expense, an owner's policy of title insurance in the amount of One Hundred Thousand Dollars (\$100,000.00) showing the state of title as described in this Section 4.2.1; and

4.2.2 Concurrently with and as a condition of any Project joining the Red Pine Community, title to the real property and improvements thereon that are to become a part of the Recreational Facilities, if any, shall be subjected to this Declaration and shall be conveyed by Developer to the Association free and clear of all liens and encumbrances (other than the lien of current general taxes and the lien of any current assessments, charges, or taxes imposed by governmental or quasi-governmental authorities or other liens and encumbrances consented to by the Association in writing). With respect to any private roads or streets which are to become a part of the Recreational Facilities, a project joining Red Pine Community may, with the consent of the Association, grant an easement for use of such roads or streets in lieu of a conveyance of title thereto.

4.3 Extent of Members Easement. A Member's right and easement of use and enjoyment concerning the Recreational Facilities created hereby shall be subject to the following:

4.3.1 The right of the Association, as provided in Rules and Regulations, to suspend a member's right to the use and enjoyment of any of the Recreational Facilities for any period during which an assessment on such Member's Unit remains unpaid and for a period not exceeding sixty (60) days for any non-monetary infraction by such Member (or his guests, licensees, and invitees) of the provisions of this Declaration or of any Rules or Regulations promulgated by the Association;

4.3.2 The right of the Association to impose reasonable limitations on the number of guests, licensees,

J.R.

or invitees of any Member who at any given time shall be permitted to use the Recreational Facilities; provided, however, that except for the specific rights granted Developer as set forth in Section 8.3, such limitations shall not discriminate against any class or type of Member;

4.3.3 The right of the County of Summit, and any other governmental or quasi-governmental body having jurisdiction over the Recreational Facilities to access and rights of ingress and egress over and across any street, parking area, walkway, or open area contained within the Recreational Facilities for purposes of providing police and fire protection, transporting school children, and providing any other governmental or municipal service;

4.3.4 The right of the Association to dedicate or transfer all or any part of the Recreational Facilities to any public agency, authority, or utility for such municipal, governmental, and/or non-commercial purposes and subject to such conditions as may be agreed to by the Association, provided that no such dedication or transfer by the Association shall be effective unless: (i) written notice of the proposed agreement and action thereunder is sent to every Member at least thirty (30) days in advance of any action taken; (ii) an instrument signed by Members entitled to cast sixty-seven percent (67%) of the votes in the Association has been recorded agreeing to such dedication, transfer, purpose or condition; and (iii) so long as the Developer has the right to consent under Section 11.5 hereof, the Developer has consented in writing; and

4.3.5 The right of the Association, subject to Section 3.7 hereof, to borrow money for the purpose of improving the Recreational Facilities and to mortgage the Recreational Facilities, or any part thereof, to carry out such improvements.

4.4 Form of Conveyancing. Any deed, lease, mortgage, deed of trust, or other instruments conveying or encumbering title to a Unit shall contain language substantially as follows as a part of the legal description:

Together with: a right and easement of use and enjoyment in and to the Recreational Facilities described, and as provided for, in that certain "Declaration of Covenants, Conditions, and Restrictions of the Recreational Facilities for the Red Pine Community" recorded in Book _____ at pages _____ through _____, of the Summit County Recorder's Office, as said Declaration may be amended or supplemented.

Whether or not the description employed in any such instrument is in the above specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Unit, and the easement of use and enjoyment provided for herein shall remain appurtenant to and shall automatically accompany any conveyance or transfer of a Unit.

ARTICLE V

Covenants for Maintenance Assessment

5.1 Personal Obligation of Assessments and Lien. Each Owner shall, by acquiring or in any way becoming vested with his interest in a Unit, be deemed to covenant and agree to pay to the Association the periodic and the special assessments described in this Article together with the interest and costs of collection hereinafter provided. All such amounts not paid when due shall, together with the interest and the costs of collection hereinafter provided, be, constitute, and remain:

5.1.1 A charge and continuing lien upon the Unit with respect to which such assessment is made; and

5.1.2 The personal obligation of the person or persons who are the Owners of the Unit at the time the assessment falls due. No Owner may exempt himself or his Unit from liability for payment of assessments by waiver of his rights concerning the Recreational Facilities or by abandonment of his Unit, and such personal liability shall not pass to the Owner's successors in title unless expressly assumed by them. If the assessment is not paid within thirty (30) days after the date on which it becomes due, the amount thereof shall bear interest from the due date at the rate of eighteen percent (18%) per annum and the Association may bring action either against the Owner who is personally liable or to foreclose the lien against the Unit. Any judgment obtained by the Association shall include reasonable attorneys' fees, court costs, and each and every other expense incurred by the Association in enforcing its rights.

5.2 Delinquent Assessments by Project. Notwithstanding the provisions of Section 5.1 hereof, if any amount described in Section 5.1 remains unpaid for more than ninety (90) days, assessments may be made upon each of the Projects which have elected, and which have qualified, to join the Red Pine Community, and upon the Project's payment of the same, the Project shall be assigned the lien

334 593

described in Section 5.1.1 and the right against the Owner described in Section 5.1.2, and shall have the right to deny the delinquent Owner (and their guests, licensees and invitees) all privileges to use the Recreational Facilities until all arrearages, penalties, and interest have been paid in full. All such assessments shall, when made, become a general obligation of each respective Project and, in the event any such assessment is not paid to the Association within twenty (20) days following notice thereof to the appropriate Project,

5.2.1 Said amount shall bear interest from the date of assessment at the rate of 18% per annum, and

5.2.2 Said Project shall be required to pay a penalty equal to 5% of said unpaid assessment, and

5.2.3 The Owners of Units in said Project may, at the election of the Association, be denied the privileges associated with use of the Recreational Facilities.

5.3 Purpose of Assessments. Assessments levied by the Association shall be used to promote the recreation, health, safety, and welfare of the Members of the Association, to the extent such matters relate to the Recreational Facilities. The use made by the Association of funds obtained from assessments may include, but shall not be limited to, the following:

5.3.1 Taxes and insurance on the Recreational Facilities;

5.3.2 Maintenance, repair, and improvement of the Recreational Facilities, including but not limited to utilities, chemicals, pool supplies, ground maintenance, snow removal etc.;

5.3.3 Management and supervision of the Recreational Facilities, including but not limited to security;

5.3.4 Establishing and funding a reserve to cover major repair or replacement of improvements within the Recreational Facilities; and

5.3.5 Any expense necessary or desirable to enable the Association to perform or fulfill its obligations, functions, or purposes under this Declaration or its Articles of Incorporation.

800- 334-594

5.4 Special Assessments. The Association through its Board of Trustees may levy special assessments for the purpose of defraying, in whole or in part:

5.4.1 Any expense or expenses not reasonably capable of being fully paid with funds generated by regular periodic assessments; or

5.4.2 The cost of any purchase, construction, reconstruction, or unexpectedly required repair or replacement of an improvement of any real or personal property; provided that any such special assessment in excess of \$10,000.00 must be assented to by a majority of the votes present in person or represented by proxy at a meeting duly called for that purpose, and provided further that, prior to June 30, 1984, any special assessment permitted under this Section 5.4, other than one for the repair or replacement of items damaged by major casualty, shall require the approval of 100% of the Members. Written notice setting forth the purpose of the meeting shall be sent to all members at least twenty (20) but not more than thirty (30) days prior to the meeting date.

5.5 Quorum Required. The quorum required for any action authorized by Section 5.4.2 above shall be as follows: At the first meeting called, the presence of Members (or of proxies entitled to cast votes) representing a majority of all the votes shall constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirements set forth in Section 5.4.2) at which meeting a quorum shall be one-half of the number which was required at the immediately preceding meeting.

5.6 Initial Assessments. Periodic assessments shall be made on a calendar basis. The Association through its Board of Trustees shall give written notice to each Owner as to the amount of the periodic assessment with respect to his Unit not less than thirty (30) days nor more than sixty (60) days prior to the beginning of the next calendar year. Such periodic assessment shall be due and payable in equal monthly installments on the first day of each and every month or other periods of time as the Association shall deem appropriate; provided, however, that the first periodic assessment for each Unit located within an "Existing Project" (as defined in Section 6.1) shall be for the period commencing with the date on which this Declaration is recorded in the office of the Summit County Recorder, Summit County, Utah, and ending at the end of the regular periodic assessment period in which the particular "Existing Project" in question joins Red Pine Community in accordance with the

818

terms and conditions of Article VI. The first periodic assessment hereunder shall be made within thirty (30) days of the first "Existing Project" joining Red Pine Community and shall be adjusted and reassessed within thirty (30) days subsequent to each "Existing Project" joining Red Pine Community, so that each Unit within all of the "Existing Projects" shall pay its ratable portion (calculated on the basis of the formula set forth below) of the aggregate amount assessed all of the "Existing Projects". To the extent any "Existing Project" has made any payment in accordance with Section 6.3 hereof, the Units in such "Existing Project" shall receive a credit toward their first periodic assessment. Notice to Unit Owners of the initial assessment shall be made within thirty (30) days of the date thereof; provided that in the event the reassessments are made as of the result of an "Existing Project" joining Red Pine Community and provided that such reassessment does not result in a change in the amount of assessment to any previously assessed Unit Owner, no additional notice need be given to such Unit Owner. Failure of the Board of Trustees to give timely notice of any assessment as provided herein shall not affect the liability of the Owner of any Unit for such assessment, but the due date thereof shall be deferred to a date thirty (30) days after such notice shall have been given. Both periodic and special assessments relating to the Recreational Facilities shall be allocated among all Units on the basis of the number of votes in the Association appurtenant to each Unit, as said basis is described on Exhibit "A" attached hereto and incorporated herein by reference, or as hereafter amended from time to time; provided, however, that until a Unit has been both fully improved with all utilities installed and "occupied" for the first time, meaning such time as the Unit is sold, leased, rented or otherwise permitted to be occupied by Developer, the periodic assessment applicable to such Unit shall be ten percent (10%) of the periodic assessments fixed for other similar Units. Notwithstanding the foregoing, no Unit in the Red Pine Townhouses Condominium Project which was sold at a foreclosure sale prior to recording of this Declaration, shall be deemed to have been "occupied" at any time for purposes of this Section 5.6 unless and until such Unit is sold, leased, or rented for the first time by the purchaser at such foreclosure sale.

5.7 Certificate Regarding Payment. Upon the request of any Owner or prospective purchaser or encumbrancer of a Unit and upon the payment of a reasonable fee for such service, the Association shall issue a certificate stating whether or not all assessments respecting such Unit are current, and, if not, the amount of the delinquency. Such

certificate shall be conclusive in favor of all persons who in good faith rely thereon.

5.8 Subordination of the Lien for Assessments. The line of the assessments provided herein shall be subordinate to the lien of any first mortgage or first trust deed now or hereafter encumbering title to a Unit. Sale or transfer of a Unit pursuant to a decree of foreclosure or by strict foreclosure or any other proceeding or deed in lieu of foreclosure which relieves such Unit from assessments previously levied shall not relieve such Unit from liability for any assessment assessed after such acquisition of title, nor from any lien of any such subsequent assessment.

ARTICLE VI

Admittance of Five Existing Projects to the Community

6.1 Application to Existing Projects. The procedure set forth in this Article VI governs the method by which the five existing condominium projects (hereinafter referred to as "Existing Projects") listed in Recital "B" on page 1 of this Declaration may join the Red Pine Community and qualify to use and otherwise benefit from the Recreational Facilities. Additional condominium projects may join the Community and use and benefit from the Recreational Facilities but only in accordance with Article X of this Declaration.

6.2 Procedure. During the one (1) year period immediately following the date this Declaration is recorded in the office of the Summit County Recorder, each Existing Project shall have an irrevocable right to join the Red Pine Community and qualify to use and otherwise benefit from the Recreational Facilities by, and only by: (i) legally adopting and recording an amendment to the Declaration of Condominium of such Existing Project containing the provisions set forth on Exhibit "C" to this Declaration; and (ii) deeding to the Association free and clear of liens and encumbrances all portions of Chalet Drive formerly located within such Existing Project, which portion shall thereafter automatically constitute a portion of the Parcel. With respect to those portions of Chalet Drive to be deeded to the Association, the Association may, if it elects, accept an easement in lieu of a deed thereto.

6.3 Interim Use of Recreational Facilities. In the event that an Existing project desires to have the Recreational Facilities available for the use of its unit owners during the portion of such period prior to joining the Community, the Association is authorized to allow such

use provided that such Existing Project pays to the Association on a monthly basis a sum equal to one month's estimated regular assessments that would be charged to the unit owners of such Project if all the Existing Projects had previously joined the Community.

ARTICLE VII

Insurance and Taxes

7.1 Coverage. The Association shall secure and at all times maintain or cause to be maintained the following insurance coverages:

7.1.1 A policy or policies of fire and casualty insurance, with extended coverage endorsement, for the full insurable replacement value of all improvements comprising a part of the Recreational Facilities. The name of the insured under each such policy shall be in form and substance similar to: "Red Pine Community Association, a Utah nonprofit corporation, for the use and benefit of its individual Members".

7.1.2 A policy or policies insuring the Owners, Members, the Developer, the Association, and its Trustees, officers, agents and employees against any liability incident to the ownership, use, or operation of the Recreational Facilities which may arise among themselves, to the public, and to any invitees or tenants of the Owners and Members. Limits of liabilities under such insurance shall not be less than \$1,000,000 for any one person injured, \$5,000,000 for all persons injured in any one accident, and \$250,000 for property damage resulting from one occurrence. Such policies shall be issued on a comprehensive liability basis and shall provide a cross-liability endorsement pursuant to which the rights of the named insureds as between themselves are not prejudiced.

7.2 Additional Provisions. The following additional provisions shall also apply with respect to insurance:

7.2.1 In addition to the insurance described above, the Association shall secure and at all times maintain insurance against all risks as are or hereafter may be customarily insured against in connection with developments similar to the Recreational Facilities.

7.2.2 All policies shall be written by an insurance carrier licensed to transact business in the State of Utah which has a financial rating of "AA" or better from the Best Insurance Reports.

7.2.3 The Association shall have the authority to adjust losses.

7.2.4 Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Projects, Owners, or their mortgagees.

7.2.5 Each policy of insurance obtained by the Association shall, if reasonably possible, provide: a waiver of the insurer's subrogation rights with respect to the Association. Developer, the Management Committee, the Owners, the Projects, their management committees, and their respective directors, officers, agents, committee members, employees invitees and tenants; that it cannot be cancelled, suspended or invalidated due to the conduct of the Association or of any trustee, committee member, officer, agent or employees of the Association without fifteen (15) days' prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Owners.

7.3 Taxes. The Association shall pay or cause to be paid all taxes duly imposed upon the Recreational Facilities by any taxing district or by any city, county, state, or federal taxing authority.

ARTICLE VIII

Use Restrictions

8.1 Use of Facilities. No such agreement or change shall be effective unless made and recorded thirty (30) days in advance of the effective date of such change, and unless written notice of the proposed agreement is sent to every Member at least sixty (60) days in advance of any action taken and no such agreement to change shall be effective with respect to any permanent rights or interests relating to the Recreational Facilities.

Any notice required to be sent to any Member, Owner, or mortgagee under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, to the last known address of the person who appears as Member, Owner, or mortgagee on the records of the Association at the time of such mailing. It shall be the obligation of each Member to provide the Association with notice of his membership, a copy of the

instrument creating his interest in a Unit giving rise to such membership, and a current mailing address.

11.3 Enforcement. Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or to recover damages, and against the land to enforce any lien created by these covenants; and the failure of the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In the event that it becomes necessary to enforce the covenants and restrictions contained herein, the prevailing party in any such action shall be entitled to an award of reasonable attorney's fees and costs against the non-prevailing party, such award to become part of any judgment or order rendered.

11.4 Rules and Regulations. The Association shall have authority to promulgate and enforce such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Association in carrying out any of its functions; provided, however, that no rule, regulation, or procedure shall place an undue burden upon the Developer's rights hereunder or his activities in accordance therewith.

The quorum required for any such meeting shall be as follows: At the first meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall

constitute a quorum. If a quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirements set forth in the foregoing portion of this Section 11.5) at which a quorum shall be one-half of the number which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the immediately preceding meeting.

Any amendment authorized pursuant to this Section shall be accomplished through the recordation of an instrument executed by the Association. In such instrument an officer of the Association shall certify that the vote required for amendment has occurred.

11.6 Mortgagee Protection. The lien for unpaid assessments provided for under Article V shall be subordinate to any first mortgage (or trust deed) affecting a Unit, but only to the extent of assessments which become due prior to foreclosure of the mortgage, exercise of a power of sale available thereunder, or deed or assignment in lieu of foreclosure. Unless seventy-five percent (75%) of all holders of first mortgages (or trust deeds) on the individual Units (based upon one vote for each Unit encumbered by a particular mortgagee or trust deed beneficiary) have given their prior written approval, neither the Association nor any other party shall be entitled to:

11.6.1 Partition or subdivide the Recreational Facilities;

In any legal or equitable proceedings for the enforcement of, or to restrain the violation of, this Declaration, or any provision thereof, the losing party or parties shall pay the attorneys' fees of the prevailing party or parties in such amount as fixed by the Court in such proceedings.

9.3 Cumulative Remedies - Waiver. All remedies provided herein or at law or in equity shall be cumulative and non-exclusive. APARTMENT LEASE

THIS AGREEMENT executed in duplicate this ____ day of _____, 1984, at Salt Lake City, Utah, between the RED PINE COMMUNITY ASSOCIATION, hereinafter referred to as "Lessor", and PARK WEST DEVELOPMENT CORP., hereinafter referred to as "Lessee".

1. Lessor does hereby lease to Lessee, and Lessee does hereby lease from Lessor the basement apartment of the Red Pine Clubhouse building.

2. The term of this lease shall be for a period of twenty-five (25) years commencing February 1, 1984. This lease shall not be extended except by an instrument in writing executed by both parties. The holding over by Lessee after the expiration of the term set forth above shall not be deemed a month to month tenancy or any other lawful tenant in the absence of an agreement in writing executed by both parties establishing such tenancy.

3. Lessee shall pay to Lessor a monthly rental of \$75.00 for each month during the term of this lease. Rent shall be paid to Lessor at such place as Lessor may hereafter designate by notice in writing.

4. Lessee may, either voluntarily or by operation of law, assign this lease or any rights given to Lessee hereunder, and Lessee may sublet the demised premises or any portion thereof, without the prior written consent of Lessor. Notwithstanding the foregoing, Lessor reserves and Lessee grants to Lessor a right of first refusal to acquire by assignment or to sublease the demised premises as follows: In the event Lessee obtains an offer to assign this lease to a person or entity which is not a related person or entity, or to sublease the demised premises for a term longer than six (6) months, a copy of such offer shall be delivered to Lessor and Lessor shall have a period of thirty (30) days to accept an assignment or to sublet the demised premises, as the case may be, on the same terms as those contained in the offer received by Lessee. In the event Lessor elects not to take an assignment of this lease or to sublet the demised premises or in the event Lessor fails to communicate its election to Lessee before expiration of thirty (30) days, Lessee shall thereafter have the right for a period of sixty (60) days to assign this lease or sublet the demised premises but only in accordance with the terms of the offer delivered to Lessor. The term "related person" shall mean any person who owns, directly or indirectly, more than twenty percent (20%) of the

800- 334-622 

outstanding stock of Lessee. The term "related entity" shall mean an entity of which fifty percent (50%) or more is owned by one or more parties which own fifty percent (50%) or more of the outstanding stock of Lessee.

5. Lessee acknowledges that it has examined the demised premises and the good condition thereof except as herein otherwise specified. Upon expiration of this lease from any cause whatever, Lessee shall surrender the premises in their original good condition, reasonable wear and tear excepted. Lessee shall remove all trash and debris from the premises and shall leave the premises in broom clean condition.

6. Lessee shall forthwith repair at its expense all damage resulting from the act or neglect of Lessee and those persons who come into any portion of the building of which the demised premises are a part as the invitee of Lessee. If Lessee fails to make such repairs, Lessor may, but shall not be obligated so to do, make such repairs, and Lessee shall reimburse Lessor for the cost thereof upon demand as an additional payment of rent under this lease.

7. The demised premises are limited strictly to the interior of the demised apartment and shall not entitle Lessee to any use of the ground space surrounding the building of which the demised premises form a part, other than for the purposes of ingress and egress. Lessor shall not be required to furnish to Lessee any facilities, storerooms, laundry rooms or other premises, not otherwise available to members of the Red Pine Community Association, provided, however, that Lessee shall be subject to any and all rules and regulations promulgated for the use of such facilities. The use of any such laundry room, storeroom or other facilities shall be at the risk of the person using the same, and neither Lessor nor its agents or employees shall be liable for any injury to person, loss by theft or otherwise, or damage to property resulting from use of such facilities.

8. If Lessor, its agents or employees, should render any service to Lessee, such as acceptance of packages, or any other service of any kind or character, or in the event Lessor permits any person or firm not in the employment of Lessor access to the building of which the demised premises are a portion for the purpose of performing services for Lessee, the rendition of such accommodation services or the granting of access to such persons for the purpose of performing any service function is a courtesy to Lessee for which no charge has been included in the sum charged as rent. Lessor shall not be obligated to perform, or permit

the performance of, such services, nor the continuation thereof. Neither Lessor, its agents or employees, shall be responsible for any loss, damage or injury of any nature which may result from the rendition of such accommodation services or by reason of the activities of any person or firm given access to the premises as hereinabove set forth.

9. The demised premises shall be used solely for residential, office or storage uses and shall not be used to operate any retail establishment or for any illegal purpose nor contrary to any provision of law affecting the same.

10. Should Lessor, for any reason, be unable to deliver possession of the demised premises at the time specified for the commencement of the term of this lease, Lessor shall not be liable for any damage caused thereby, and Lessee shall be entitled to appropriate credit on the rent reserved hereunder for such period as delivery of possession cannot be made. If Lessor is unable to deliver possession within 10 days after the time specified for commencement of this lease, Lessee shall have the right to cancel this lease and to a refund of all sums paid to Lessor.

11. Neither the delivery of keys by Lessee to Lessor, its agents or employees, nor any act on the part of Lessee shall serve to constitute a termination of this lease prior to the expiration of the term hereof unless such delivery or other act is acknowledged in writing by Lessor and Lessee as constituting a termination of this lease.

12. If Lessee shall fail to pay the rent reserved herein when the same becomes due and payable, or if Lessee shall fail to keep, observe or perform any other covenant, condition or obligation of this lease on his part to be kept or performed, including but not limited to Lessee's failure to observe rules and regulations promulgated for Lessor's members, or if Lessee shall abandon the demised premises, Lessor, in addition to all other rights and remedies it may have at law, shall have the option to do any of the following after first giving Lessee ten (10) days written notice of such failure.

(a) Re-enter and remove all persons and property from the premises, storing said personal property in a public warehouse or elsewhere at the cost of, and for the account of, the Lessee. No such re-entry or taking possession of the premises by Lessor shall be construed as an election on the part of Lessor to terminate this lease unless a written notice of such intention is given by Lessor to Lessee.

ENC. 334 INC 624

(b) To collect by suit or otherwise each installment of rent or other sum as it becomes due hereunder, or to enforce by suit or otherwise, any other term or provision hereof on the part of Lessee required to be kept or performed.

(c) Terminate this lease, in which event Lessee agrees to surrender immediately possession of the premises, and to pay to Lessor, in addition to all other sums to which Lessor may be entitled, all damages suffered by Lessor by reason of Lessee's default, including the cost of recovering the premises.

13. In the event that any personal property remains upon the demised premises upon termination of this lease or upon re-entry by Lessor under rights given to Lessor by this lease, Lessor shall have the right to remove the same and it shall have a lien upon all such property for the purpose of securing to Lessor the reimbursement to Lessor of all costs of every nature incurred in removing the said personal property from the demised premises, including a reasonable attorney's fee. To enforce the said lien, Lessor may sell all or any part of such property, at public or private sale, and in such manner and at such times and places as Lessor, in its sole discretion, may deem proper. Such sale may be made only with due notice to Lessee and with demand upon Lessee for reimbursement of the said costs. The proceeds realized upon any such sale shall be applied first to the payment of expenses of the sale, reimbursement of costs to remove the property from the demised premises, costs of storage pending sale, and reasonable attorney's fees incurred in connection therewith; any balance remaining shall be applied to the payment of any other sums which may then or thereafter be due to Lessor from Lessee, after satisfying all of the obligations previously enumerated, the balance, if any, shall be paid over to Lessee.

14. The prevailing party in any legal action regarding this lease shall be entitled (in addition to its damages and other remedies obtained) to all expenses which may be incurred in prosecuting any action, including reasonable attorney's fees, by reason of any breach of this agreement by the other party.

15. Neither the acceptance by Lessor of any installment of rent after its due date nor the waiver by Lessor of any other breach by Lessee of this agreement shall constitute a waiver by Lessor of any future default on the part of Lessee.

334 625

16. This lease contains the entire agreement between Lessee and Lessor relating to the leasing of the demised premises. No representation which is not incorporated herein shall be binding and all representations which have been made are incorporated herein or, if not so incorporated, shall be deemed to have been waived. All preliminary negotiations between the parties are merged into, and superseded by, the provisions of this lease. This lease shall not be enforceable until executed by both Lessee and Lessor.

17. All notices to be given Lessee shall be given in writing personally or by depositing the same in the United States mail, postage prepaid, and addressed to Lessee at Box 1598, Park City, Utah 84060, or such other place or places as may be designated in writing from time to time by Lessee. All notices to be given to Lessor shall be given in writing personally or by depositing the same in the United States mail, postage prepaid, and addressed to Lessor at _____, or such other place or places as may be designated in writing from time to time by Lessor.
